Sony Handycam Audio/Visual Cables

VMC20FR

Sony Mini A/V Male to 3 RCA Male Cable

The Sony VMC-20FR Composite A/V Cable allows you to watch high quality digital video directly from your compatible Handycam camcorder. It easily attaches from your camcorder's mini AV port to your television's composite video port. Its high grade construction provides improved signal quality.

VMC15FS

Sony A/V Cable

The Sony VMC-15FS Handycam Audio Video Cable is designed specifically for Handycam Camcorders with 10-pin output connectors.

It has standard RCA red whit and yellow connectors along with an S-Video connector allowing you to use this cable for most televisions and VCRs.

VMC15MR2

Sony Handycam A/V Cable

Connects your Sony Handycam camcorder directly to your TV, so you can view your footage on the big screen. The 1.5 meter cable is compatible with all Handycam camcorders that are equipped with a Multi Terminal input.
